

## DR. PASSES PRESENTS...

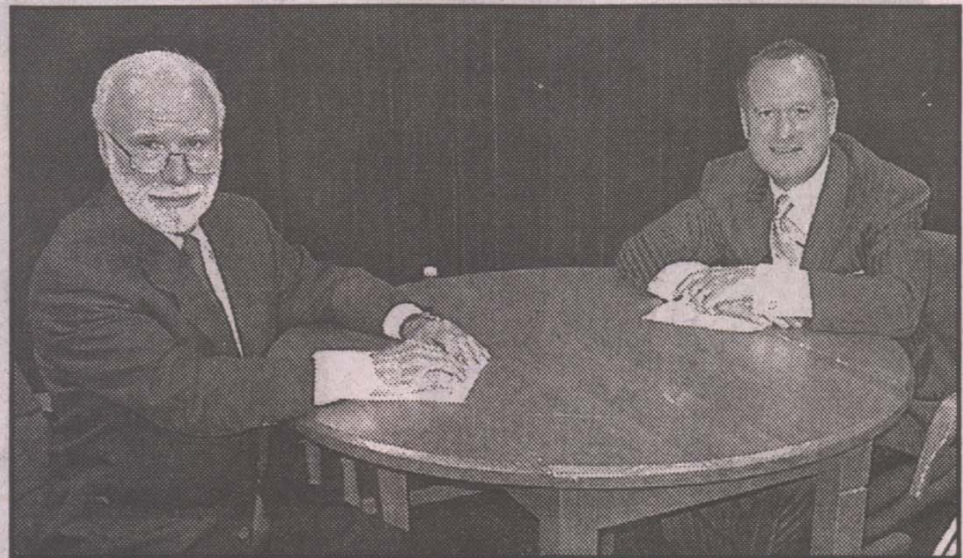

By Harvey Passes, DDS

### *Manhasset's Best Resource Is Its People: It's Always Ethics*

Everyone should have a board of directors in their life. These are people whom you go to for advice and direction. It has been my good fortune to have Manhasset resident, Hank Boerner, as one of my mentors. Recently, he was a guest on my show. We discussed the concept of ethics in the marketplace. This show was taped

before the great stock market collapse. Hank's discussion and warnings were very prophetic. Now, most of us know the difference between right and wrong. If that premise is true, then why did this financial catastrophe happen? How did inflated self-interest play a role on this stage of greed with neglected oversight? Hank Boerner has been "fixing" corporations for many decades. He has assisted some of the most interesting people in business and government. Their names read as a veritable list from *Who's Who*. Considering today's economic landscape, you should not miss this show which will be broadcast on Cablevision's channel 73 on Sunday, Dec. 21 at 4:30 p.m.

Manhasset has a rich resource of talented people. This supply of gifted community refers to not only its residents but its commercial inhabitants as well. As a

member of the Manhasset Chamber of Commerce and a resident of almost 30 years I have a sense of pride in our town. To this end I invite various people to discuss their unique qualities on my Cablevision show which broadcasts three times a week in our area. I host *Dr. Passes Presents...* seen on Sundays at 4:30 p.m., Wednesdays 5:30 p.m. and Fridays 5:30 p.m. on Cablevision channel 73. It is also seen a fourth time on Tuesdays at 11:30 a.m. channel 18 throughout most of Long Island. Each week in the *Manhasset Press* I will present a synopsis of one of my local guests. These shows are engaging, informative, entertaining and most of all full of promise as to what we can do on the local level. Want more information? Call Dr. Passes at 487-3131.
